

“SEE THE JUOJÄRVI UP CLOSE”

According to measurements conducted by the Finnish Environment Institute, Juojärvi is on all accounts the purest lake in all of Finland.

”SOUKAN KOUKKELO” AND THE SEINE GOAHTI. 2 HOURS

The trip includes

a guided boat trip (also in English) with snack and refreshments on board

The Soukan Koukkelo is a cave on the island of Soukka that has served among other things as a hideout for escaped convicts and military deserters.

The seine goahti is the last restored goahti of this lake area.

The trip takes place on the 12-seated m/s SOFIA.

Departure and return primarily from the Tuusniemi harbour – pick-ups from summer house piers also possible

Price: 150€ (VAT included)
