

“SEE THE JUOJÄRVI UP CLOSE”

According to measurements conducted by the Finnish Environment Institute, Juojärvi is on all accounts the purest lake in all of Finland.

A trip to Kannassaari, ca. 4 hours

The trip includes a guided (also in English) boat ride, the trip there and the return trip are taken along different ways.

Coffee cooked in a traditional “nokipannu” and buns available, also bread with butter.

Sizzling campfire sausages

In Kannassaari a nature trekking path around the island (1.4 kilometres \approx a little shy of one mile). Along the path we’ll find a board at a milking place, in which you can read information regarding the islander life.

The opportunity for swimming and angle fishing.

The trip takes place on the 12-seated m/s SOFIA

Departure and return primarily from the Tuusniemi harbour – pick-ups from summer house piers also possible. Price: 200€ (VAT included)
