

”SEE THE JUOJÄRVI UP CLOSE”

According to measurements conducted by the Finnish Environment Institute, Juojärvi is on all accounts the purest lake in all of Finland.

A trip to Aaro’s island, 4 hours

The trip includes a guided (also in English) boat ride, the trip there and the return trip are taken along different ways.

Coffee cooked in a traditional “nokipannu” and buns available, also bread with butter.
Sizzling campfire sausages

Aaro lived in the small island of Pyörylä as a hermit during the 1940’s and 50’s. He led a very interesting life in his natural form of subsistence economy. The trip also includes a visit to the island of Konkka, where among other things you’ll see a smoke sauna. The opportunity for swimming and angle fishing.

The trip takes place on the 12-seated m/s SOFIA

Departure and return primarily from the Tuusniemi harbour – pick-ups from summer house piers also possible. Price: 200€ (VAT included)
